

NOTICE OF REQUEST FOR PROPOSAL

Albany County, Wyoming (“County”) is currently seeking offers from prospective suppliers to purchase one (1) trailered generator with light tower. The County will select the supplier(s) they determine whose product most closely satisfies the needs of the County based on the criteria noted in this Request for Proposal (“RFP”). There is no requirement for acceptance of the lowest offered financial impact to the County. The award of this proposal will be made on the basis of lowest evaluated price and specific requirements may be waived or amended at the discretion of the County.

Proposals must be uploaded through the County’s QuestCDN Portal at <https://www.co.albany.wy.us/476/Public-Bid>, prior to the Submittal Deadline. At 3:00 P.M. on March 14, 2022 all proposals will be opened publicly read aloud via Zoom. The public may attend the proposal opening via Zoom. Information on how to access the event via Zoom will be posted on the County website. Questions regarding this Request for Proposal must be submitted through the QuestCDN portal.
